

COVID-19 & PRECAUTIONS IN ADVANCE OF YOUR APPOINTMENT AND AT THE SALON

We are taking the Covid 19 outbreak very seriously and are following best practice advice.

Before your appointment

1. If you are well please come for your appointment as normal
2. Please do not come in for your appointment if you are feeling un-well or have been told to self-isolate. Call us and let us know, as soon as possible, even if it is just before your appointment. We will do our very best to rebook your appointment once you are feeling better.

At the salon

1. On arrival please wash your hands using the provided hand sanitizer or by using soap and water
2. We will thoroughly clean each unit and all tools between clients
3. We have extended our use of single use products where necessary
4. We will carry out a deep clean of the salon every day
